

GLOBAL MARINE SERVICES (PRIVATE) LIMITED

QUALITY POLICY

At Global Marine Services, we are dedicated in providing top-tier recruitment solutions for Ship Owners, Charterers & Managers. We are dedicated to upholding the principles of adherence, proficiency and customer satisfaction, guaranteeing the fulfilment of superior expectations and standards. We are committed to satisfy applicable requirements and continual improvement of the quality management system.

The Company prioritize providing high-quality services that meet or exceed industry standards, ensuring reliability and efficiency. We have established a structure to regularly define and assess our quality policy and objectives, aiming for ongoing enhancements in our quality management system. This will be achieved through effective communication, motivation and ethical governance.
